PUBLIC NOTICE TO BOIL WATER RESCINDED 04-23-2024

Because of a loss of water system pressure on Plant 3 due to a water line break, the Texas Commission on Environmental Quality requires the Parker Water Supply Corporation PWS ID 1260021, to notify water members to boil their water prior to consumptions (e.g., washing hands and face, brushing teeth, drinking etc.)

Children, Seniors and people with weakened immune systems are particularly vulnerable to harmful bacteria, and all customers should follow these directions.

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking and ice making should be boiled and cooled prior to use for drinking water and/or human consumption purposes. The water should be brought to a vigorous rolling boil and then boiled for two minutes.

In lieu of boiling, individuals may purchase bottled water or obtain water from some other suitable source for drinking water or human consumption purposes.

Once the boil water notice is no longer in effect, Parker Water Supply Corporation will issue a notice to members that rescinds the boil water notice in a manner similar to this notice.

This includes the following areas: 1103, 1102, 1200,1202, 1204, 1100 A, 4105, 302, HWY 171, FM 916, HCR 1418, 1413.

This notice has been RESCINDED AS OF 04-23-2024 You DO NOT have to boil water any longer as of today.

PLEASE NOTE THAT YOU WILL EXPERIENCE AIR IN YOUR LINES.
