

PARKER WATER SUPPLY CORPORATION  
NON-STANDARD SERVICE CONTRACT

THE STATE OF TEXAS  
COUNTY OF \_\_\_\_\_

THIS CONTRACT is made and entered into by and between \_\_\_\_\_,  
Hereinafter referred to as "Applicant", and Parker Water Supply Corporation, hereinafter referred to as  
"PWSC" or "Corporation".

WHEREAS, Applicant is engaged in developing that certain \_\_\_\_\_ acres of land in  
\_\_\_\_\_, County, Texas, more particularly known as the \_\_\_\_\_  
Subdivision, according to the plat thereof recorded at Vol. \_\_\_\_\_, Page \_\_\_\_\_ of the Plat Records  
of \_\_\_\_\_ County, Texas, said land being hereinafter referred to as "the Property"; and,

WHEREAS, PWSC owns and operates a water system which supplies potable water for human  
consumption and other domestic uses to customers within its service area; and,

WHEREAS, Applicant has requested PWSC to provide such water service to the Property through  
an extension of PWSC's water system, which includes all on-site and off-site service facilities to meet the  
level and manner of service requested by the Applicant, such extension being hereinafter referred to as:  
"the Water System Extension"; NOW THEREFORE:

KNOW ALLMEN BY THESE PRESENTS:

THAT for and in consideration for the mutual promises hereinafter expressed, and other good and  
valuable consideration, the sufficiency of which is hereby acknowledged by the parties, Applicant and  
PWSC agree and contract as follows:

1. **Engineering and Design of the Water System Extension.**

(a.) The Water System Extension shall be engineered and designed by a Texas  
Licensed Professional Engineer in accordance with the applicable specifications  
of the PWSC and all governmental agencies having jurisdiction. All plans and  
specifications must be reviewed and approved by PWSC's consulting engineer  
prior to the issuance of any request for bids for the construction of the Water  
System Extension. After such approval of the plans and specifications by the  
PWSC's consulting engineer, the plans and specifications shall become part of this  
Agreement by reference and shall more particularly define "the Water System  
Extension".

(b.) The Water System must be sized to provide continuous and adequate water  
service to the Property based on plans for the development as provided to PWSC  
by the Applicant. PWSC may require the Water System Extension to be oversized  
in anticipation of the needs of other customers of the PWSC, subject to the  
obligation to reimburse the Applicant for any such oversizing as provided below.

2. **Required Sites, Easements or Right-of-Way.**

(a.) Applicant shall be responsible for dedicating or acquiring any easements  
across privately owned land or sites (including off-site) which are  
necessary for the construction or operation of the Water System Extension  
and for the obtaining any Governmental approvals necessary to construct  
the Water System Extension in public right-of-way.

- (b.) Any easements acquired by the Applicant shall be in a form approved by the PWSC (see Form of Easement, attached to this Contract and made a part hereof) and shall be assigned to PWSC upon proper completion of the construction of the Water System Extension.
- (c.) The validity of the legal instruments by which the Applicant acquires any such easements and by which Applicant assigns such easements to PWSC must be approved by PWSC's attorney.

3. **Construction of the Water System Extension.**

- (a) Applicant shall advertise for bids for the construction of the Water System Extension in accordance with generally accepted bidding practices and shall award the contract for the construction of the Water System Extension subject to the approval of the PWSC. PWSC may reject any bid.
- (b) The Water System Extension shall be constructed in accordance with the approved plans and specifications. PWSC shall have the right to inspect all phases of the construction of the Water System Extension. Applicant must give written notice to PWSC of the date on which construction is scheduled to begin so that PWSC may assign an inspector. PWSC may charge reasonable inspection fees based on the actual costs of labor, travel and incidental expenses of the inspectors, plus 10% overhead.

4. **Dedication of Water System Extension to PWSC.**

- (a) Upon proper completion of construction of the Water System Extension and final inspection thereof by PWSC, the Water System Extension shall become the property of the PWSC. The Water System Extension shall thereafter be owned and maintained by PWSC subject to the warranties required of Applicant under Subsection (b). Any connection of individual customers to the Water System Extension shall be made by the PWSC.
- (b) Upon transfer of ownership of the Water System Extension, Applicant shall warrant materials and performance of the Water System Extension constructed by Applicant for \_\_\_\_\_ months following the date of the transfer.

5. **Cost of the Water System Extension.**

- (a) Applicant shall pay all costs associated with the Water System Extension as a contribution in aid of construction, including, without limitation, the cost of the following:
  - (1) Engineering and design;
  - (2) Easement or right-of-way acquisition;
  - (3) Construction;
  - (4) Inspection;
  - (5) Attorneys' fees; and

- (6) Governmental or regulatory approvals required to lawfully provide service.
- (7) Applicant shall indemnify PWSC and hold PWSC harmless from all of the foregoing costs.
- (b) Provided, however, nothing herein shall be construed as obligating the Applicant to maintain the Water System Extension subsequent to its dedication and acceptance for maintenance by PWSC.
- (c) If PWSC has required the Water System Extension to be oversized in anticipation of the needs of the other customers of PWSC, PWSC shall reimburse Applicant for the additional costs of construction attributable to the oversizing, as determined by the PWSC's consulting engineer, in three annual installments without interest beginning one year after dedication of the Water System Extension of PWSC.

6. **Service From the Water System Extension.**

- (a) After proper completion and dedication of the Water System Extension to PWSC, PWSC shall provide continuous and adequate water service to the Property, subject to all duly adopted rules and regulations of PWSC and the payment of the following:
  - (1) All standard rates, fees and charges as reflected in PWSC's approved tariff;
  - (2) Any applicable Equity Buy-In fee approved by PWSC;
- (b) It is understood and agreed by the parties that the obligation of PWSC to provide water service in the manner contemplated by this Contract is subject to the issuance by the Texas Commission on Environmental Quality or Public Utility Commission and all other governmental agencies have jurisdiction of all permits, certificates or approvals required to lawfully provide such service.
- (c) Unless the prior approval of PWSC is obtained, the Applicant shall not:
  - (1) Construct or install additional water lines or facilities to service areas outside the Property;
  - (2) Add any additional lands to the Property for which water service is to be provided pursuant to this Agreement; or
  - (3) Connect or serve any person or entity who, in turn, sells water service directly or indirectly to another person or entity.

7. **Effect of Force Majeure.**

In the event either party is rendered unable by force majeure to carry out any of its obligation under this Contract, in whole or in part, then the obligations of that party, to the extent affected by the force majeure shall be suspended during the continuance of the inability, provided however, that due diligence is exercised to resume performance at the earliest practical time. As soon as reasonably possible after the occurrence of the force majeure relied upon to

suspend performance, the party whose contractual obligations are affected thereby shall give notice and full particulars of the force majeure to the other party.

The cause, as far and possible, shall be remedied with all reasonable diligence. The term "force majeure" includes acts of God, strikes, lockouts or other industrial disturbances, acts of the public enemy, orders of the government of the United States or the State of Texas or any civil or military authority, insurrections, riots, epidemics, landslides, lightening, earthquakes, fires, hurricanes, storms, floods, washouts, droughts, arrests, restraints of government and civil disturbances, explosions, breakage, or accidents to equipment, pipelines, or canals, partial or complete failure of water supply, and any other inability's of either party, whether similar to those enumerated or otherwise, that are not within the control of the party claiming the inability and that could not have been avoided by the exercise of due diligence and care. It is understood and agreed that the settlement or strikes and lockouts shall be entirely within the discretion of the party having the difficulty and that the requirement that any force majeure be remedied with all reasonable dispatch shall not require the settlement of strikes and lockouts by acceding to the demands of the opposing party if the settlement is unfavorable to it in the judgement of the party have the difficulty.

8. **Notices.**

Any notice to be given hereunder by either party to the other party shall be in writing and may be effected by personal delivery or by sending said notices by registered or certified mail, return receipt requested, to the address set forth below.
